

I have had any amount of
trouble in looking up this matter
but have made a little some-
thing by it.

You will receive this
on Wednesday. If you
can arrange this so I
can get your letter on Sat-
urday I shall be obliged to
you. I would suggest J. H.
Bainbridge St - 108 Murray
St. or J. L. Chadwick or D. D.
Starrin Park place as suit-
able parties to act for you. I am
inclined to think that an assignment
of the land to Emmons for value
and then to you is sufficient.

Please attend to this - Present
me to your family -

Yours truly

J. W. Leach
