Dear Sir:

Your letter to hand and contents noted.
I have as requested examined the records
of this office, and I have to give you the
following as the result of the investigation
William Burton obtained a patent for 500 acres
dated Sept. 28th 1681, and is described as being
one Cedar Island on the Seaboard side,
Beginning near Mouth of Codd Creek,
Wm Burton obtained a patent for 1000 acres
dated 20 April 1682. and is described as
being all Cedar Island, I take these
two patents to cover Cedar Island
